

BRUNO JAMAIS SHOPPING EXTRAVAGANZA

Hello Darlings, Welcome back to Cognac's Corner. This past week I was invited by the beautiful Katherine Rothman at **KMR Communications, Inc** to attend "Girls Night Out" **Cocktail Party at Bruno Jamais Restaurant**. Darlings, It was a shopping extravaganza sure to impress the girlie girl in all of us. I had a chance to chat with Long Island, Hamptonite sexy blonde bombshell singer Samantha Cole who told me she bought the latest Gucci Bag at the event. Samantha was kind enough to invite me to her masquerade birthday celebration at the chic new club Providence on Friday October 20th. This high profile event masquerade theme is dress in pink, black or both, "whatever your heart desires darling," Samantha gushed.

The lovely Court TV Anchor Lynne White wearing a Ralph Lauren ensemble told me how excited she was to be invited to this spectacular event. I also had a chance to chat with the owner Bruno himself on this exciting opportunity the first of its kind to be in a trendy elegant restaurant to join in the fun at this very upscale event featuring skincare and cosmetic companies, retail stores, fitness products, hair care products and so much more. The evening was fun, music shopping, cocktails, gourmet food, wonderful goodie bags and a chance to win luxury prizes. Darlings, I had the best time ever. Publicist Katherine Rothman from **KMR** explained to me in our interview that there were 18 vendors in total showcasing their luxury products. I was fortunate to speak to some truly wonderful representative from each company. These are just a few of the products that I found to be amazing:

My favorite part, darlings, of the whole evening was interviewing the Designer Lulu Ohiomah of Miami Baby and Bijoux Beach. "The Miami Baby Girl evokes glittering sophistication in her Miami Baby Bikini. She's cool, confident, classy, fun and knows how to make the most of her appearance on the beach or by the pool". Lulu revealed to me in our exciting interview. Miami Baby! Pieces of the collection are exquisitely made to show detail of the highest definition. The collection reflects the key trends in beach culture with an emphasis on jewel embellishment on the swimwear and accessories that can take you from the hot sexy poolside to cocktails at a swanky trendy nightclub or restaurant in Miami Beach or the Hamptons. The Bijoux Beach collection is all about the femme fatale. "La femme Bijoux Beach" emphasizes total sophistication and high glamour!! This collection is worn by jet-setting sophisticated socialites on the beaches of San Tropez, Cannes, the French Riviera and the most exotic exclusive resorts around the globe. The collection is embellished with Swarovski crystals, coral, turquoise and semi precious stones. For more information darlings you can visit www.bijouxbeach.com and www.miamibabybeachwear.com
